Customer Reviews

Mike Shipley is a supplier of woodworking materials, a woodcarving instructor, and the author of Hand Carving Snowmen and Santas, Whittling the Old Sea Captain.

Fine

The book is very good in explaining techniques. The figures are really funny. They are a bit demanding for a novice. Took me several hours to produce one, but that's part of the fun. Wish there were a few more pictures of each of the figures, as opposed to just the first one.

Great Book.

Love this book! great ideas for carving.

Enjoy this book and the instructions also.

These books are a "must" for amateur whittlers

Very informative on this subject. Clearly explain, good patterns. Really helpful for both beginning and experienced carvers.

I loved it. It was easy to understand and had interesting characters to carve.
