The Ultimate Patent Success Guide: How To Patent Your Invention For Less Than \$750

THE ULTIMATE
PATENT SUCCESS
GUIDE

HOW TO PATENT
YOUR INVENTION FOR
LESS THAN \$750

NICHOLAS ODDO

Synopsis

The Ultimate Patent Success Guide equips independent inventors with the tools necessary to obtain an issued US patent. This book gives a fundamental overview of the different types of patents, as well as the step by step process of obtaining a US patent. Topics ranging from EFS web to patent drafting are described.

Customer Reviews

FINALLY... a book to help with the patent process that is not 600 pages long! A practical, insightful, well-researched guide written by a brilliant young author/inventor/entrepreneur. Outstanding work Mr. Oddo.

This book was integral in my creation of a patent. This is the best patent review book that I've ever read as the author clearly put together the information in a concise format that can save the reader money.

This is such a great resource, truly an amazing guide and a lower price than other options. Many other option are 500-700 pages and this book will allow you to be most efficient. GREAT option.

One of the chapter titles has a lower case letter when it should be all uppercase. Also patents are stupid.
