A Modern Approach To Evidence: Text, Problems, Transcripts And Cases, 5th (American Casebook Series)

Synopsis

This is the Fifth Edition of the textbook that pioneered the teaching of Evidence using problems rather than appellate opinions. The text explores the Rules of Evidence and their rationales in a straightforward fashion without hiding the ball or ignoring complexities. Problems that clarify the Rules appear throughout the chapters; larger problem sets that explore the Rules in detail are found at the ends of chapters. The updated edition discusses important recent cases and introduces social science findings and recent developments in science and technology that bear on the design and operation of the Rules of Evidence, and on their rationale.

Book Information

Series: American Casebook Series

Hardcover: 1556 pages

Publisher: West Academic Publishing; 5 edition (November 18, 2013)

Language: English

ISBN-10: 0314287655

Customer Reviews

Extremely dirty, had a band-aid in it! Not sure if I was supposed to take it as a joke or what. Upset I paid so much money for such a gross book.

The content is good, but I find it unforgivable that this book is not available electronically. A "modern approach to evidence"...? Really?

Fast shipping! Perfect!

just as described and arrived promptly.
