Cengage Advantage Books: Business Law: Text & Cases - Commercial Law For Accountants

Synopsis

BUSINESS LAW: TEXT & CASES--COMMERCIAL LAW FOR ACCOUNTANTS is an adaptation of the market-leading Clarkson/Miller/Cross textbook. This textbook is suited for the second course in a business law series ("commercial law"), often a requirement for accounting majors. It covers topics students will see on the CPA exam and delivers an ideal blend of classic "black letter law" and contemporary cases. The text's strong student orientation makes the law accessible, interesting, and relevant with cases that represent the latest developments.

This is a great book for a legal novice. The only dig that I have is that it skips around a bit, not

always following a logical flow of information where one piece of knowledge is built on previously introduced content. I love how the subject material is presented and then followed by numerous examples of the concepts in court cases. Great business law text.

I saved over \$150 by renting this. Wonderful option!

very easy to read and there are a lot of good cases that display the critical learning points.

great read

Okay book

Very educational.

A page fell out as soon as I got it and the book looks like it will fall apart between sections.

Exact book I need for an upcoming class at a fraction of the cost. Very good condition.
