Customer Reviews

I chose this rating because the patterns are so easy to follow and to me that is sooo important. They were fun to make and watch them grow. And watching the children's faces when they received their animal.

Goof patterns to begin on. A little large than I expected but that to me is good. I know I can make them smaller...

Excellent patterns made easy to execute. Cute little critters that sit happily on beanies and are very playable lovable toys as well
