Excellent book..

Great read.

Why on earth couldn't author not act as if he were a 3rd person. Was confusing and completely took

away from the flow of the story.

This is the 3rd time I have owned this book, I have friends that keep wanting it so I keep giving it away! It is filled with documented, solid information.

Very informative. I highly recommend this book.

Very informative! Also references specifics which helps to validate the information.

Very good book, a must read for parents who want to teach there kids about other religions. They dont go into how Islam is not a peaceful religion, but I imagine they are afraid to?

Amazing resource. A must have
