Customer Reviews

This book is a great reference to each and everyone of us. If you ever find yourself in that situation, this book has few great tips and strategies to avoid being drawn in your own debt. And at the of this book you will be surprised that you're already saving. This book has great, simple and easy to understand steps to be out of debt. I agree when the author said never overspend your budget or else that will be the beginning of your dooms day.

I have been in debt for a very long time. I know exactly what to do but instead i prefer not to mind about it. Until it came to my senses that i am working but i am not saving nor enjoying the money i

am earning. So decided to change my ways. It worked well but still i can't save. Now this book was introduced to me and it amazed me with the idea of setting aside a certain percent of what you are earning. I never thought about it since what i have been doing is save what's left. But most of the time my money is just enough. This book has helped me a lot. It changes my views about debt and saving. All is just a matter of willingness and attitude. Thanks to the author! It's been a great help.

Life is too short to just spend it worrying with debts. Debts can really give us headaches and restless minds. Debts can cause stressful days and indefinite anxieties, so we have to stop burying our lives in debts. Book like this is a very helpful tool to each and everyone of us. This book makes me realized that it is not wrong to borrow and get involve in debts, but you need to limit them. You need to pay them on time. You have to know your income and more importantly, know how to save. There are actually many ways and strategies to manage our finances. This book has all the suggestions we need to know. This has the most efficient tips and strategies. Honestly, I really enjoyed reading the whole content. This will help our lives debt free and enthusiastic.

I used to get into trouble with my overhead spending and credit card debt but I have committed to get out of all my debts to move forward. Reading this book is the best way to reconfirm my commitment to stay away from overspending and learn to save more for my future. Clearing off your debts is very important so you can bring your money into better use such as assets and investments, which can possibly make more money for you. This book is a good place to start. It tells you how to get your finances straight as well as give you insights about financial freedom. This book is a must read for people who wants to clear their debts the most efficient way possible.

I am a finance guy myself and so was curious to know what other advice to get out debt. It was then when I came across this guide and really loved it and it has a practical approach of how you can get out of debt with simple and easy to understand steps. But as I am a finance guy, so I always thought that they could have covered more topics.

This is a great book which has helped me understand why I have holes in my financial life and put me on ease to know that I can handle and deal with tough situations to get out of debt. This book has helped me tremendously to know what the best way to pay off my debt without putting myself under severe pressure. I highly recommend this book to those who are looking for an inspiration and follow plan to get their life together and live a high quality life.

This guide was very helpful to me personally. I received a lot of financial guidance that i never heard of before. I loved the strategies on budgeting your expenses - that was especially new to me. Overall i would say that this book can be beneficial not only to those in debt but to anyone, because we all have financial challenges.Thanks for writing this book!

I had no idea!This book contains 21 good ways to saving money, 9 steps to facing debts with success and good techniques to keep this course of action.The key of this is the constance to follow the plan.I wish to be free of debts before the end of this year.
