Perennials For Alberta

Synopsis

Internet gardening guru Donna Dawson teams up with veteran garden writer Laura Peters to craft this easy-to-use and comprehensive primer on the perennials that grow best in Alberta. You'll find over 450 perennials suited to the province's climate, 530 brilliant full-colour photographs, information on planting, growing, recommended varieties, problems and pests, details on light, water and nutrient needs, as well as how and when to start your plants. A Quick Reference Chart provides information at a glance on colour, blooming, height, hardiness, light and soil requirements.
