Vintage Roses: Beautiful Varieties For Home And Garden

Synopsis

Romantic blooms for novice, expert, or armchair rose gardeners. Who wouldn't be romanced by names like Lovely Fairy, Desdemona, Elegantlyne, Anne Boleyn, Leonardo da Vinci, and Blue for You? Vintage roses encompass both the true old roses and the best of the modern roses, developed to celebrate the classic, ageless, enduring beauty of the old varieties. The 60 specially selected specimens include those that have the best visual appearance and most fragrant perfume, and are also easy to grow and produce beautiful flowers for cutting. The perfect mix of engaging, inspirational commentary and no-fuss gardening notes shows that roses can be grown and enjoyed by all - whether a novice, an expert, or an armchair rose gardener. Jane Eastoe's previous books include *Elizabeth: Reigning in Style*, *Fabulous Frocks*, and a series of guidebooks for The National Trust (UK) on everything budding homesteaders need to know, from *Henkeeping to Home-Grown Fruit*. Georgianna Lane is a leading floral, garden, and travel photographer whose work has been published internationally in such magazines as *The New Yorker*, *BBC Gardens Illustrated*, *Britain* magazine, *Romantic Homes*, and *Gardener's World* (UK).

Customer Reviews

Jane Eastoe has written many books on the subject of outdoors, from the National Trust Book of the Countryside to the bestselling *Hen Keeping*. In her garden in Kent she has grown many varieties of old roses - mostly with success. Her practical experience of growing roses, combined with her love of historical research and her fashion sensibility, makes her the ideal candidate to write this

refreshingly up-to-date appreciation of vintage roses. Georgianna Lane is a leading floral, garden and travel photographer whose work has been widely published internationally in books, magazines, calendars and greeting cards. Her work has featured in The New Yorker, BBC Gardens Illustrated, Romantic Homes and Gardener's World. Her blog, Photography and Other Magic, chronicles her styled floral photo shoots and her extensive international travels to photograph beautiful gardens and iconic destinations, sharing the everyday fairytales, magical moments and places of wonder encountered along the way. --This text refers to an out of print or unavailable edition of this title.

It's a lovely book, and the photography is really beautiful, and deserving of better quality printing.

It was beautiful! Exactly what I wanted.

Fantastic book ! I highly recommend this wonderful resource. I am a dedicated gardener and rose grower, and I can tell you that if you love roses, you will love this book! I collect books on roses and there is not another resource like this that has been published recently. The text of the book is enjoyable to read as it describes a collection of top notch roses both old and new. The best part of the book is the photography - it is incredible and will inspire you. One of the things the many things I appreciate about this book is that the roses featured are ones that are able to be grown in wide variety of locations and are healthy. The Old Garden roses featured are classics and can't be beat and many of David Austin's English roses are some of the best on the market. The previous review mentioned a paper quality issue, I can tell you that my copy is pristine and printed on beautiful paper. This title was first published in the UK and apparently printed on recycled paper. This US version is printed on different paper and is top notch! Enjoy!!

Vintage Roses: Beautiful Varieties for Home and Garden Hardcover Edition by Jane Eastoe (Author), Georgianna Lane (Photographer). First Know What Is Vintage Roses , are predominantly hybrid roses that are grown as ornamental plants in private or public gardens. They are one of the most popular and cultivated groups of flowering plants, especially in temperate climates. Numerous cultivars have been produced, especially over the last two centuries, though roses have been known in the garden for millennia beforehand. While most garden roses are grown for their flowers, Now Comes To This Book a Perfect Collection of Various & Rare Beautiful Roses, I Specially Impress With the High Resolution Images of Various Roses in the Book With Details

About How You Keep Grow In Your Garden Or Home. Through This Book I Got Knowledge About Several of Roses Exist In Our Planet out of which I Personally Not Known Earlier Or Haven't Seen In My Life But After Getting Details About Them I Grown A Curiosity To Seen Those Roses By The Touch Of My Hand.This Is A Hardcover Edition With More Than 230 Pages & Each One Is Unique As The Photographs Or Roses Taken By A Very Effective Manner & It looks If You See In The Book. The Most Important Thing About This Book You Don't Need Any Botany Knowledge To Understand The Anatomy of Plant But Just Open The Book & just forget yourself & Just Imagine The Beautiful World Of Roses in this Book.I most Like Some of Roses Mentioned In The Book Like Celsiana Rose which is a pink Rose &has a long pedigree along with Eglantyne Rose also Tuscany Superb & Lady of Shalott with several other.After Read this Book I Personally Want Several of Roses Must Be In My Home & Will Definite Try To Find Some of Them In My Famous Gardens But I Don't Think Those One present Their Because Those Are A Vintage Roses Which you Seen Rarely Near By You.I Personally Gives Hand On to This Book & Recommend All Readers To Must Read At Once Because I Don't Think You Find Those Useful Information On The Vintage Roses Anywhere Else but In This Book You Get All Info. I Recommend You To Read & Find The World of Colorful Roses By Just Turning Pages Of This Book. Very Useful Book & Will Must Be A Part Of Your Book Shelf.

Love this book so much I bought another for a friend who also loves roses, great gift for anyone who enjoys roses.
