# The American Provincial Corps 1775-84 (Men-at-Arms, Book 1)

## Synopsis

Initially British officials of the American Revolutionary War were reluctant to accept the offers of loyal subjects to form fighting units but eventually the potential of a Provincial corps was realized. Yet they never received the whole-hearted support of the British regular army and this was a factor in their eventual defeat. Nonetheless the Provincial Corps served with distinction â “ even fighting against the Spanish in Nicaragua and the Bahamas â “ and some remained in service for several more years by relocating to Canada. This book examines their experiences in this continental conflict and details their uniforms and equipment.

## Book Information

Paperback: 48 pages

Publisher: Osprey Publishing (June 15, 1973)

Language: English

ISBN-10: 0850451485

ISBN-13: 978-0850451481

Product Dimensions: 7.3 x 0.2 x 9.7 inches

Shipping Weight: 6.4 ounces

## Customer Reviews

Packed with specially commissioned artwork, maps and diagrams, the Men-at-Arms series is an unrivalled illustrated reference on the history, organisation, uniforms and equipment of the world's military forces, past and present.

Philip Katcher was born in Los Angeles, California, to parents involved in the film industry. He was educated at the University of Maryland and served in the US Army in Vietnam. He has also been an active participant in living history activities, especially in the 18th and 19th century periods. He has written a number of books on various periods of US military history and presently is editor/publisher of Military Images Magazine.

If you are a modeler or re-enactor of the American Revolution you'll find that Osprey Publications'

The American Provincial Corps is a must to prefect that period look. Concise, clear discriptions of the equipment and arms as well as the uniforms makes for easy understanding of how the soldiers appeared in that time periode.

Typical great info book by Osprey re: the Americans who stayed loyal to the Crown
