# Law, Liability, And Ethics For Medical Office Professionals (Law, Liability, And Ethics For Medical Office Professionals)

## **Synopsis**

Designed to provide a foundation of law and ethics, Law, Liability, and Ethics for Medical Office Personnel applies these concepts to real-life situations in the health care environment. Case studies from actual legal procedures illustrate key points of law as well as ethical dilemmas faced in the medical office. This book helps medical assisting students interact with the legal profession, recognize when they need legal advice, and protect their future employers from medical malpractice complaints.

## **Customer Reviews**

"One of my favorite features of this text is the Case Studies. I found them interesting and informative and a great way for students to understand the concepts taught in the book."Marilyn M. Turner, RN, CMA (AAMA)Medical Assisting Program DirectorOgeechee Technical CollegeStatesboro, Georgia

Myrtle Flight is the former Assistant Director of the Blue Hills Regional Technical School in Canton, Massachusetts. She has also been an adjunct instructor at Massasoit Community College in Canton and Northeastern University in Boston. Michael R. Meacham, JD, MPH, is associate professor in the Department of Health Leadership and Management at the Medical University of South Carolina, where he teaches Health Policy, Strategic Management and Change Leadership. He also is director of the Office of International and Special Programs, coaches case competition teams and counsels

students individually and in informal groups regarding professional development. Meacham has an extensive background in development, enactment and implementation of public policy as well as in leadership and management of health care organizations. In 1998, he was named director of Health System Development for Connecticut's Office of Health Care Access and led administrative improvements in its Certificate of Need Law and other regulatory reforms affecting hospitals. In 2001, he was named vice president for Integrated Health Services at Eastern Connecticut Health Network and was responsible for multiple health care units including administrative and clinical personnel. Named an associate professor at Pennsylvania State University in 2003, he led dramatic improvement in the MHA Program. In addition, Meacham served in the Kansas House of Representatives for eight years. He received his J.D. from the University of Kansas and his M.P.H. from the University of Kansas School of Medicine and Wichita State University.

This book saves my class

This book is plainly written and easy to understand with great examples and illustrations covering the topics within the book. The book delivered was a brand new book which was nice being that it was rented for the semester.

It was delivered right away but unfortunately it was not the one I needed for the class. The school messed up in the expectation. But it was in very great conditions.

Thank you very helpful and in great condition.

It's cute and small, it was in good conditions and I'm happy about that.

Very pleased with this product.

The cases in this book were interesting. The book wasn't very big I really like that part.

The book was in excellent condition
