Customer Reviews

This is the book you need if you're behind and need to get up to speed on the topics covered so far. It's clearly written, easy to understand and damn useful. Like most E&E's. But it's not going to cover everything, just provide the building blocks, I definitely needed to go back and review my notes/book to fill in gaps and all that extra minutiae professors throw in. In the end, I recommend it.

The third edition of the Community Property E&E is riddled with typos. It is very clear that some of the numbers used in the Examples were updated in this edition, but those updates did not translate to the Explanations. When I buy an Examples & Explanations, I expect more from Aspen Publishers. I'd like to be able to confirm my own work product, not correct theirs. Perhaps try the second edition if you want a better edited read.

Some writing inside, nothing horrible. Arrived sooner than expected.

Very clear and thorough.

Great book! My Cp professor was confusing and this book is a life saver in explaining concepts for me. I would definately recommend it!
