Great bookÃ Â Â'Â•

Great Book. Used it for my freshman PoliSci course. Was a good book other wise though and I still own it. It is more like a philosophy book rather than a PoliSci book. But if you are going to be majoring in PoliSci, I encourage you to read this book.

I purchased this book as a required reading text for a class and fount that pages 567 through to page 581 have been bound in the book backwards between pages 582 and 585.

Came quick. Hate the book tho.

What's up with the ABC 123? Some of the chapters are very difficult to read, 2 stars down.

Daughters

It came in three days super fast. Almost as brand new, a few highlighted marks but honestly for college it doesn't matter.
