## Customer Reviews

I have not tried all the recipes in this book but have gone through them and I think this cookbook has some great collection of instant pot recipes. There could have been images of the recipes making it more appealing to the reader. The instructions and all are very easy to follow and there are even some new dishes in here,

There are hundreds and hundreds of pressure cooker books, so it can get a little overwhelming to pick the right one. The recipes are super simple -- which is exactly what I was looking for. These will definitely save me time in preparations and cooking. I would definitely recommend this cookbook along with the Instant Pot--makes it easy to start cooking delicious, healthy recipes right away.

I have not had a chance to try any recipes yet. They sound easy. There were quite a few recipes that use the slow cooker button. I have not used my Instant Pot as a slow cooker yet and I have had it for 1 1/2 years. Maybe it is time to try the slow cooking mode. I like that the recipes are for two, although some of them seem as if they will leave us with leftovers. I am very satisfied with this book.

After exploring around and gotten this book, I tried a few more times with the recipes in this book. Wow, I am amazed by my own cooking! The easy to understand clear cooking instructions and incredible recipes make fabulous tasty dishes with such ease. Instant pot cookbook is full of fantastic advantages and perfect guideline. This guide book will teach you how to use pressure cooker easily for preparing delicious and healthy meal that will not only prepare rapidly but also provides you a delicious taste and one advantage more is it is helpful in reducing weight. Instant pot has been very helpful in our kitchen..

This is one of the best Instant Pot Cookbooks I have read. Filled with terrific recipes, I thoroughly enjoyed several of them already. Highly recommend this book for the best possible delicious and easy recipes for cooking with an Instant Pot.

I really like the concept of this book for it is really helpful throughout the nice read that were shown to you. It contains a lot of various recipes that you can try cooking. I would like to recommend this to those who are looking for a book to read about Instant Pot and what are its capability to produce. This book is a easy and perfect guide book for pressure cooker recipes. That are easy to cook and good for health. This book contains lot of easy recipes in detail. Inside of this book the writer has described about easy pressure cooker guidelines. This book is fantastic and helpful.

After searching for a fine instant pot cookbook, I finally got a copy with my Instant Pot at a friend's recommendation. There are several outstanding differences between this particular instant pot cookbook and others, as it was well laid out which was awesome and very helpful. The initial parts covers the general theory and practice of pressure cooking, before getting into the actual recipes.

am presently rocking my instant pot with the easy recipes. I would also love to recommend to instant pot users because of it's extremely importance.

There are hundreds and hundreds of pressure cooker books, so it can get a little overwhelming to pick the right one. I decided to go with this one since I have the Instant Pot, and I'm glad I did. The recipes are super simple -- which is exactly what I was looking for. I would definitely recommend this cookbook along with the Instant Pot--makes it easy to start cooking delicious, healthy recipes right away Great book!
