## **Customer Reviews**

I DO NOT DO REVIEWS

I couldn't resist the cover. Informative read. Learned things about the holiday traditions I didn't know about.

I was seeking a kindle book of Christmas ideas, including stories, crafts, anecdotes, etc. This book pretty much fit the bill, so I was left pleased. But \$4.99 may be a tad much for such a short book which lacks any illustrations. Despite that, I enjoyed reading the book and I learned something.

I love the stories and folklore in the book

You can't go wrong with Farmers Almanac!

I LOVE the farmers almanac. So of course I must have t Christmas almanac. It is packed with great advice for the holidays. It even contained recipes I have been looking for.
