Customer Reviews

Love these books. I give them out as gifts and actually colored quite a few pages when I feel restless but bored.

The novelty of the book is fine, however, the pictures themselves are not all that great. The pictures are basically the same with different sayings.

Designs are OK...too many words used about women for my taste...tore out pages not fit for my house.

Pictures are a little more detailed than I'd hoped but love the concept.

FO! I've been coloring away!

Bought for my friend who has lots of things going on in her life, but has no way to release her anxiousness, she loves it.

Great, hilarious coloring book!! I love it!

Absolutely hilarious. Calms you down.
