Customer Reviews

Mr. B.A. Cheap is the pseudonym for a noted winemaker, acknowledged gourmet, and all-around bon vivant who wishes to keep his identity hidden....

This book was passed on to me by a friend and has been on my nightstand for months. Great basics and background for someone just getting into wine and beginning to understand how it's made and why it costs so much. Lots of info about different grapes and regions, which I found really interesting. Just enough info to not be overwhelming. Love this book!
