# Passover Made Easy

## Synopsis

Brisket Eggrolls? Matzaroni n Cheese? Non-gebrokts Banana French Toast? All Kosher for Passover? Unbelievable but true! Leah Schapira, author of the bestselling Fresh & Easy Kosher Cooking, teams up with noted food editor Victoria Dwek. They put the wow into your Passover cooking, with creative and original recipes that you'd never believe could be made with Passover ingredients. Passover Made Easy features triple-tested recipes and tips for making your holiday food festive and delicious and it's all so simple to prepare! The ingredients are easily available and all but four recipes are gluten-free (non-gebrokts). With its fascinating culinary tidbits and helpful plating tips, this is a cookbook that's as fun to read as it is to use.

Leah Schapira is the co-founder of CookKosher.com, a popular online kosher recipe exchange, and the author of the bestselling *Fresh & Easy Kosher Cooking*. A self-taught cook, Leah expresses her love of cooking through her polished food articles, her busy website, and her exciting cooking demos and classes. *Passover Made Easy* is Leah's second release with ArtScroll/Shaar Press. Leah resides in New Jersey with her husband and family. Victoria Dwek is the managing editor of Whisk, a popular kosher food magazine published weekly by Ami Magazine. Her feature articles take readers behind the scenes to learn from chefs and other professionals in the kosher food world. An experienced journalist and avid hostess, Victoria's work combines her passions for good food and good writing. She lives in Deal, New Jersey with her husband and children.

Bottom line: great recipes, but time-consuming and advanced cooking techniques and equipment required. This is a Passover cookbook truly designed for people who keep Passover kashrut rules. It's refreshing to find a Passover cookbook with innovative recipes that are not just adapted recipes re-released as "Passover-friendly." Ingredient lists are appropriate for a kosher kitchen. There are no hard-to-find-for-Passover ingredients. I love that they give "make-ahead" instructions. This book has many intriguing recipes. My family members are picky, but I found two I thought they'd eat. I was a little leery of some of the instructions (cook chicken for 3 hours), but followed the recipes to the letter, and everything was superb. The apple-jam chicken was easy and outstanding. The dessert I made, a frozen strawberry sorbet fudge cake, was maybe the best Passover dessert I've ever eaten. It was also one of the most intricate, technique-heavy recipes I've ever cooked. It requires both French and Italian style merengues. I needed a candy thermometer for the Italian meringue. There were two techniques for baking the same batter - some for cake, some for cookie crumbles. It took two adults who enjoy cooking, and a couple of little girls, three hours to make this cake. It was worth every minute, and fun to make, but definitely not easy.

This cookbook is the real deal. Finally real recipes that make this holiday taste great. Is a fun and

fresh spin on Passover, covering the staples to new and exotic. I find it a terrific value. All Passover cooks must have!

Very contemporary menu, but also very easy.

I bought this book because I needed easy Passover dessert recipes to take to my family's seder. I was not disappointed. I made two of the recipes, and not only were they super easy, but they were DELICIOUS - every bit of both desserts was gone within half an hour. The book is also beautiful and a pleasure to read/look at. I highly recommend this.

Not only did this meet my expectations, it exceeded them. I made 4 recipes from this book and each was better than the one preceding it. There was only one recipe (and I made it three times!) that I had to tweak a little; adding half the amount of oil with applesauce. All in all, a HUGE success. LOVED this book and recommended it to a dozen others.....

Most of the recipes were very simple and enjoyable. I and my children enjoyed them very much, however there were some ingredients that were unavailable in our area and we were unable to try them. This is a great book for those who live in large Jewish community where there is a big variety of products available.

The recipes were so delicious and can easily be adapted for use all year round! The recipes were well varied. Most of them had easily accessible ingredients

I loved the easy to follow directions that made sense and did not take a long time to accomplish!
