The Complete Passover Cookbook

Synopsis

Passover cuisine is no longer limited to the traditional dishes known to our parents and grandparents. In this classic, containing more than 500 clearly written recipes, Frances AvRutick shows us how to make every Passover dish a succulent delight. In nineteen chapters spiced with history, laced with lore, and garnished with cooking suggestions, you will find everything from traditional holiday preparations (try the Russian borscht and light-as-a-feather knaidlach) to modern-day originals (matzo-spinach pie, elegant stuffed drumsticks, matzo meal polenta--to name a few). The Complete Passover Cookbook will help you prepare the kind of Passover you never dreamed possible. New, revised 2008 edition.

Customer Reviews

A native of New York City, Frances R. AvRutick received her higher education from the City College of New York and the Jewish Theological Seminary of America. As wife of Rabbi Abraham N. AvRutick, of Congregation Agudas Achim in Hartford, Connecticut, she was long active in Jewish community affairs. Mrs. AvRutick shared her passion for food and entertaining by conducting holiday cooking workshops at state and national conventions of the Women's Branch of the Union of Orthodox Jewish Congregations of America. For UOJC she wrote A Passover Sampler: From Appetizer to Afikomon, the success of which inspired her to author The Complete Passover Cookbook, which has enjoyed much acclaim. Frances AvRutick is also the author of Kosher Cookery: Classic & Contemporary.

This book was a lifesaver for me this Passover. Every year it's usually the same bland food, so hard to get creative - especially when I'm the one cooking, but not the one who's been Jewish my whole life! Keeping Kosher when you're not strict year round is challenging and frustrating, but there were so many fabulous, delicious, and flavorful recipes. And the charts and tables in the back for substitutions, measurements, and categorized alternatives for dishes was so helpful. My husband's family has many food sensitivities, and this book allowed me to make a feast that everyone could share in. I got compliments that they had never had a Passover like this before and I was never allowed to give it up as hostess. I even got a standing ovation (which was a little weird, but my husband and in-laws insisted it was well-deserved.) I would recommend this book to any,any,anyone wanting to knock the socks off their Passover guests.

I bought the original when it was first published in 1981. It has been my favorite pesach cookbook ever since. This year I purchased it for my married grand daughter. She too loved it,- the clear and tasty recipes facilitated her cooking for her family.

the book arrived very quickly and I read through it last night. some interesting recipes. not too many main courses but lots of interesting goodies if you have the time to make them.

We used this to help us make our Passover ceder at the Church. The recipes we used were awesome.

It is ultimate.looking for everything you need to know its right here in this book..great ideas for the week of special cooking

I found this book to be very helpful, especially the apple cake recepies. Passover requires skill and imagination and Mrs. AvRutick appears to have both. the recepies are clearly written and easy to follow. the ingredients are readily available and familiar. Her style is easy to read and informative. All in all, a very good cookbook.
