My Outrageous! Spiritual Adventure: (Spiritual Initiations)

Synopsis

#1 BESTSELLER Take a ride with Kevin Michael as he journeys through consciousness, traveling both the inner realms and across the globe. Although Kevin was not a truth seeker, severe health challenges forced him to seek holistic health methods. Much to his surprise, he found Spirit in the process and Spirit said - you are coming with me! What was the result of such a journey? Healing one's self and finding one's spiritual gifts. Having lived many of life's challenges himself, Kevin sought much inner and outer help. Along the way, he developed a highly effective healing technique gifted to him by the "Bridgers". That technique is introduced in chapter four of this book: "Harry Meets Swami". Through this book, Kevin is now gifting the reader with the technique that has made a world of difference in his healing journey. This book is for anyone who is serious about their spiritual path and committed to their spiritual growth. It clearly demonstrates that we are not alone and that all we have to do is know how to ask for effective help. Now is the time for each of us to take the next step on our personal journey of healing and remembering Who We Are.
