In Love and War: The Story of a Family's Ordeal and Sacrifice During the Vietnam Years, Revised and Updated

LOVE IT!!

From the depths of inhumanity to man to a true love story.

I first read this when first release and just purchased another copy. If you want to read about two real heros, James Stockdale and his wife Sybil Stockdale read this book. They write side by side in spirit, him in a Vietnamese prison, the Hanoi Hilton, and she home with their children. One of the best love, war and a story that you will remember.

Great Leader of men. Great example.

Mandatory reading for interested citizens wanting to learn about the hideous decisions of Johnson and McNamara. The legacy of the Democrat Party. A first hand account by the man a great leader.

An American love story. Jim Stockdale redefined perseverance and integrity. A legend in American history.

Very interesting book about the imprisonment and miss treatment of our service man shot down over North Vietnam.

story of important piece of American history told by one (of many) who experienced it intimately. Only weakness, a bit over-written.

I upgraded my review of this seller due to her strong and persistent desire to satisfy me about my order. Seller offered full refund and for me to keep the book to satisfy me regarding my purchase. I declined the refund because my dissatisfaction was minor, but I did upgrade my rating of the transaction and will look for this seller's books and buy from her again having no concern that any dissatisfaction will be honored and not questioned.
