A one time read but a bit too dated.

I purchased two of these books. One good and one bad. One was used with the slip cover with the great drawing etc. in OK shape and satisfactory. The other cope was a very old version with paper crumbling and without the slip cover. That was not good.

MY HUSBAND LOVES ALL KINDS OF FISHING HUNTING ANY SPORT OUTSIDE HE LOVES HUMOR THE BOOK WAS EVERYTHING WE HOPE FOR

Pure Ed Zern perspective on life. Great read and great fun to read. Here are five more words for you.

Actually Ed Zern wrote the book and included humorous comments about H.T. Webster's cartoons. Written in 1945 the stories and caroons are ageless. The whole family can enjoy this one.
