River Cafe Cookbook

This is a cookbook from one of the best restaurants in England...and no...Good English Food is not an oxymoron. Some of the best restaurants are in the UK and the food...even the pub food is delicious whether it is fish and chips or gastropub fare. This is a must have for your cookbook collection. Wonderful book

Great cookbook. Easy to follow instructions with wonderful results.

Nice recipes!

15-20 years ago, the River Cafe was the hottest thing in the UK. All of the River Cafe cook books are great for a huge and unusual variety of Italian dishes. I especially bought them for the seafood and vegetable/bean dishes.

I was very pleased with the book. It was sent in secure packaging and the book is in very good condition, nearly like new. Different formatting of very uncomplicated recipes. Surprised me in their

simplicity of prep and ingredients and therefore turn out to be rewarding in taste and reasonable time for prep.

RIVER CAFE, THE BEST

Well packaged-fast ship-great new ideas to try.

Arrived before Christmas and in great condition. My boyfriend can't wait to test the recipes, and I can't wait to taste them! :-D Thank you!
