Customer Reviews

A valuable resource for passing the New York State Notary Public exam.

Was a fid study guide

Excellent book. The test questions are fashioned so as to point out areas of work needed. I thought this was a great way to find the strengths and weaknesses in studying habits. I would recommend this book to everyone who is looking to take the notary test.

Great book, easy to read

This guide was exactly what I needed to pass the exam. Easy to grasp and the review tests matched the state exam.
