Thanksgiving Cookbook - Easy Stress-Free Holiday Recipes

Synopsis

Prepare a stress-free Thanksgiving dinner that your family and friends will remember! Easy to prepare, make ahead recipes for Thanksgiving and any special occasions during the holidays and all year long! Do you find yourself stressed at the very thought of preparing your next holiday meal? Are thoughts of endless hours and late nights spent preparing numerous dishes causing you to actually dread the upcoming holidays rather than look forward to them with festive anticipation? I can tell you that you are certainly not alone. For years, many of us home cooks have suffered through slaving in the kitchen over a meal for our family and friends, only to be stuck in the kitchen while everyone else got to enjoy each other's company. It is true, that for many of us cooking is a form of love and we wouldn't trade the opportunity to bestow the gift of our time and food upon those close to us. However, most would agree that it would be nice if the process could be a little simpler, a little less stressful, and little less all-consuming. The relief you are looking for can be found within the pages of this book. The recipes contained here all emphasize the flavors and decadence of the season, but each one also stresses the value of your time. With the focus on limited prep work and cooking methods that require little of your attention, you will discover that there is actually joy to the holidays that extends past your kitchen door. If you plan your holiday meal from this book, you will be able to spend time enjoying the depth of joy during the holiday season, rather than just one aspect of it. Inside find:

- Tips to save time and energy and prepare a stress-free Thanksgiving that everyone at the table will remember.
- Crowd pleasing appetizers, soups and salads like the No Fail Classic Butternut Squash Soup or the Slow Cooked Cranberry Meatballs.
- Stress-free Entrées the whole family and friends will love like the Mulled Wine Glazed Ham or the Slow Cooked Lemon and Sage Turkey.
- Lovely sides like the Herb Cream Corn or the Garlicky Overnight Rolls
- Still have some space for dessert? Heavenly dessert recipes to make again and again like the White Chocolate Cranberry Dump Cake or the Chai Poached Pears.

Put The Joy Back Into Thanksgiving Dinner! Remember when Thanksgiving dinner was an wonderful event that was remembered for many years? Chef Louise Davidson puts the joy back into Thanksgiving. This is not just a easy to prepare stress-free Thanksgiving cookbook. It starts with a bunch of Tricks To Save Time During The Holidays. Getting to the food her first section is Appetizers, Salads and Soups. She opens this section with Slow Cooked Cranberry Meatballs an incredible tasting make ahead dish. I likes the Blue Cheese and Pare Tart, using premade bread dough. A few of her Main Courses that caught my eye were Garlic and Mushroom Skirt Steak with Onion Gravy, a slow cooker delight, Dutch Oven Turkey Legs with Savory Greens, a southern treat with Collard and Turnip Greens. Oven Roasted Turkey with Apples and Onion Cavity. Cider Spiked Turkey with Apple Sauce. Mulled Wine Glazed Ham. BTW, Color pictures are enclosed so you know what you are preparing. A few of the Side Dishes I loved included Candied Sweet Potato Casserole. Real Cornbread Casserole, the true southern recipe without flour or sugar. Bundt Pan Sage Stuffing. Pecan and Wild Rice Stuffing. Double Loaded Mash Potatoes with Asigo, Cheddar Cheeses and Prosciutto. Brown Sugar Carrots, ready in 15 minutes. Garlicky Overnight Rolls, you make them the night before and pop ito the oven when needed. For Desert, you can close with Caramel Apple Upside Down Cake. Chocolate Pecan Coconut Pie Orange Essence Turtle Bread Pudding. And many more mouth watering dishes. All prepared the easy way for more time with your guest. A Holiday Winner... Recommended!

Louise really understands Thanksgiving and that it doesn't have to be so stressful preparing all of

the food. She is all about saving time during the holidays and boy does she deliver. The key is having the right recipes and a plan of attack to pull everything together. That is where this book comes in handy. It breaks apart this holiday into the different courses of food and gives a huge list of delicious recipes for people who want to save time and reduce stress. You just follow along with each recipe and your guests will be impressed and you finally won't be stressed!

GREAT BOOK for the price! PLUS- the author gives two additional free cook books for their way of saying thanks! It may be a "THANKSGIVING" cook book, but alot of the ideas can be used for any time of the year. I HIGHLY recommend this book!

Well this solves a lot of worries. Was looking for some desserts and maybe a new main dish. Got stopped in my tracks with the Cranberry Gingered Tenderloin. YUM! Made it to the desserts and going with the Fallspiced Pumpkin Cobbler! I also like the simplicity of the recipes. Great job Louise! Thx.

Picked this up just in time, thank you Louise, you saved my holidays!
