It is wonderful to have this book. Can't wait to try some of the recipes. Delighted to have found this!

Love this cookbook easy to follow recipes from fabulous restaurants throughout the state of Maryland! This is a hand me down cookbook that my daughters will fight over!

I have owned this book for quite some time. My favorites include the recipe for Maryland Crabcakes and the Stuffed Mushrooms. There are several recipes from some of my favorite restaurants such as Phillip's Crab House and Rod 'n' Reel (just to name a few). There are also picture discriptions on how to fillet, shuck, clean, dress and freeze many of your favorite fish, crabs, lobster, clams, and oysters. This book is a must for a beginner on seafood preperation.
