Customer Reviews

Very informative but the font is so tiny many will require a magnifying glass to read it.

Concise, compact information. Very well organized. Waterproof, spill proof.

Useful and practical knowledge at a glance. Saves time and unnecessary purchases of books. Everything you need to know right here in one place.

useful information of the high points in a concise form.

I was wanting one of these for a quick reference. I just love it is perfect for my needs! Would reccommend

Love that its plastic and easy to read, and washable

I knew a "bitter Herb" once. This is a useful, concise guide that I will try to memorize, but at my age may often refer back. Learned lots from my first read.

Great cooking aid.
