## Customer Reviews

I love Halloween, it's by far my favorite holiday, which is why I picked this up. The first several recipes are Halloween inspired (cookies that look like pumpkins and fingers, spider web cider, little popcorn brains). It then goes into fall drinks (both alcoholic and non). The last part has general recipes for fall and winter, not necessarily Halloween inspired and a bit random. The one thing to note is that measurements listed are in grams and ounces. If you are used to US measurements you will need to convert these.

"These foods and cocktails are acceptable for everyone,..." and "Includes recipes for kids." I don't think the cocktails are acceptable for everyone, there are quite a few alcoholic drink recipes in this one. Yes, there are some recipes for kids, but we're deleting this one and hoping to find a more family friendly book.

Halloween quick easy recipes. Scary dish, desserts and drinks recipes: Includes recipes for kids Fun holiday book that features meals and snacks and drinks. Each recipe gives a summary, some have a color photo and ingredients list along with how to make it. No nutritional information but some really good ideas. Baked stuffed apples would be my choice.

The eve of all Saints day. It's time to explore new recipes for the holiday. Every year I seek new and unusual recipes. Buying and reading this book, I was not mistaken. This is exactly what I expected. A bunch of cool and unusual recipes, I am very pleased. Recommend the book to anyone who wants to improve your Halloween.

A timely book for Halloween - nice collection of yummy treats, including candies, cookies, punch and even several Halloween dinners. You can choose any number of them to make with your children and surprise your family and friends. It is filled with great recipes to help you celebrate this crazy, fun-filled holiday.

My family loves Halloween. Every year we prepare new dishes. Thanks to this book, this year we will have one of the best holidays. In the book a lot of cool recipes. My favorite is Potato Ghosts and The Spanish Hot Chocolate for special events. Suggest to everyone.

Amazing collection of recipes. Many unique recipes. Great pictures. I already picked a few dishes that I will make for Halloween. It will be Siren Song, Halloween cake Graveyard and a couple of other dishes. I recommend the book to everyone, it is really cool.

I love to have fun to celebrate Halloween with their friends. I buy this book because I needed cocktail recipes. I tried to do a few of them and I liked it.
