Customer Reviews

Professor of Law, The Catholic University of America Director, Institute for Communications Law Studies, Washington D.C.

This was required reading for a class, but I actually found it interesting and informative.

This book was very helpful for my Mass Communication Law class! It arrived in great condition, well packaged, with quick shipping! Oh and the price was right!

It's not the newest version of this book since at the time I got it wasn't carrying it, but it was still very helpful and concise.
