Paper Doll Dress-Up: Fashion Through The Ages

Synopsis

With no gimmicks, materials, techniques, or tools required (except for a pair of scissors), you can create your very own fashion parade with this lavish collection of outfits and accessories. See how clothes have changed over time, from the fashions of Ancient Egypt and Rome, to the flamboyant finery of Elizabethan dress to the more recent fashions of the sixties, seventies, and eighties. Simply cut out the two dolls and their stands and then you are ready to start cutting out the different outfits. Each costume has tabs to hold in place on the doll. In addition there are two pages of fun accessories stickers so you can complete the outfits with shoes, bags, and headpieces. Now you're ready to go!

Book Information

Paperback: 96 pages

Publisher: CICO Books (April 11, 2013)

Customer Reviews

Georgie Fearn is an illustrator specialising in contemporary fashion and lifestyle illustration, for publishing, editorial, advertising, logo design, and the greeting card industry. She has previously published Dress Up Kate, a sticker activity book. The author/illustrator is based in London, UK.

The dolls and outfits in this book are beautiful. I held off giving it to my daughter for a while though because my AR wouldn't let me watch her try to cut them out. Careful, sometimes precise, cutting is going to be needed for everything to fit together.

Quality paper, quality design, it's quite lovely as well as educational. I smiled at the 80s fashion, I've

very pleased with this product, and am not quite sure it shall find it's way into a younger grrl's hands as this old grrl finds it a joy to look at.

the tabs were difficult to use being somewhat small and often in the wrong places, esp for wigs and hats and other accessories. but the idea was lotsa fun for an 8 yr old ...

This was given as a gift to a woman who still enjoys cutting out paper dolls. The clothes depicted were of the right era for her, and I know she enjoyed this book.

A Little boring, but just what I wanted. Thanks.

I enjoyed looking through this books of fashions. If you wanted to cut them out it would be easy to do so.

Great concept for girls to learn about fashion and how it has evolved. It would have been perfect if the dolls and clothes (especially the dolls) had been punch out. Cutting them out was tedious for my granddaughter and difficult for me.

The book mentioned was very enjoyable, a good addition to my collection. A good reference , great costumes.Thank you!N.Snyder
