Customer Reviews

I swear anything can be made funny nowadays, and even the most innocent of things can make for some dirty jokes. The internet has made the world so much more; these are the types of jokes that can only be funny in pictures. I haven't laughed so hard in a long time. All I can do is give this review thanking the author for compiling these memes.

The character and the memes used in this book is unique and each illustration is different. The author add many funny memes through the favorite character Pokemon. If You are like to read funny memes on Pokemon this book is for you. Disclaimer- Got this free book to give my honest opinion about the book
