Synopsis

The rockets of the twentieth century ushered man into the exciting frontiers of outer space. But what of his inner universe? Unfortunately, it remains a black hole of mystery and speculation. The lightning-fast pace of today leaves us with little time to ask: What on earth am I doing here? Our search for love, wisdom, and freedom has so far been mostly in vain. When Paul Twitchell made Eckankar known to the modern world in 1965, he separated spiritual truths from the cultural trappings which had surrounded them. Average people could begin to experience the Light and Sound of God while still living a happy, steady, and productive life. Paul Twitchell was born in Kentucky in the early part of the twentieth century and served in the US Navy during the Second World War. A seeker from an early age, he was introduced to a group of spiritual Masters who would change the course of his life. These were the Vairagi ECK Masters. While they trained Paul to become the Living ECK Master, he explored a wide range of spiritual traditions under

different teachers. The high teachings of ECK had been scattered to the four corners of the world. Paul gathered these golden teachings of Light and Sound and made them readily available to us. It was these God experiences he chronicled in his book, *The Tiger's Fang*. Paul Twitchell eventually joined the Vairagi Order and was given the task of bringing Eckankar to the world. He became the Living ECK Master. By 1965, Paul was giving Soul Travel workshops in California and offering discourses on the teachings of Eckankar. A community of ECKists began to grow. In 1970, Eckankar was established as a nonprofit religious organization. Paul Twitchell died in 1971, but not before he initiated many into the ECK teachings. The present-day Living ECK Master is Sri Harold Klemp. He continues to give new life to the age-old spiritual teachings of ECK. (Eckankar.org)

An engrossing book that takes you outside the familiar world of the physical. "Where no one has gone before." It gives you a roadmap to your own inner worlds. That leads to a greater awareness of freedom. And that gives you a sense of peace, no matter what the world throws at you!

Interesting Metaphysics to say the least. Mr. Twitchell seems to have the ability to gather the best from the world of religion and spirituality and create a clear path to learn from. I enjoy the flowing style of the book and it does not matter if you agree with what in the pages or not it is well worth the read.

Paul write about the magnificent path of ECKANKAR, a must for the people searching the truth
