Official LSAT PrepTest 69: (June 2013 LSAT) (Official LSAT PrepTests)

Synopsis

The PrepTest is an actual LSAT administered on the date indicated. Practice as if taking an actual test by following the test-taking instructions and timing yourself. In addition to actual LSAT questions, each PrepTest contains an answer key, writing sample, and score-conversion table.

Product Dimensions: 8.5 x 0.3 x 11 inches

Shipping Weight: 4.8 ounces (View shipping rates and policies)

Average Customer Review: 4.3 out of 5 stars 16 customer reviews

Best Sellers Rank: #467,779 in Books (See Top 100 in Books) #135 in Books > Education & Teaching > Higher & Continuing Education > Test Preparation > Graduate School > LSAT #171 in Books > Law > Legal Education > Test Preparation #3507 in Books > Textbooks > Test Prep & Study Guides

Customer Reviews

This is the newest LSAT preptest, as of the time of this review (July 2013). The LSAT changes with time. You should definitely get the newest test, as new tests are the best indicator of what future tests will look like. Considering how important the LSAT is to your odds of admission, this book is well worth the price. You should also get the following books: LSATs 52-61 LSAT 62 LSAT 63 LSAT 64 LSAT 65 LSAT 66 LSAT 67 LSAT 68 The total cost of those books + this book is around \$70-\$80. You'll get 18 of the most recent, official LSAT pretests. There is no better investment you could make towards a better LSAT score. If you want more pretests, I recommend LSATs 29-38, which is only \$21 and has ten more fairly recent tests. To get tests 39-51, you'll have to buy online PDFs, as the LSAC no longer makes them readily available in print on. Note that only LSAT 69 (this test), LSAT 68, LSAT 67 and LSAT 66 have two pages for logic games diagrams. I recommend using only the second page for your diagrams. I've watched students draw diagrams far away from the questions, and it is surprisingly easy to lose your train of thought when you have to move your eyes across multiple pages. Graeme Blake Author of LSAT 69 Explanations

Don't buy the Kindle version! The format is totally different than the actual test and other pretest booklets. This is useless if you are trying to prepare using actual conditions and materials. Format and test conditions are vital in preparing for the LSAT. While the paper version may be okay, the Kindle version is a waste!!!

It is a great product to have for the LSAT! It is not so expensive and you could definitely use it as a tool to improve your LSAT score!

as expected.

It is absolutely necessary to purchase LSAT 62-69 separately as they have not been published in a compilation book as of yet. If you are to be successful on the LSAT you need to take as many actual LSATs as humanly possible.

It is what it says it is. And taking it and other official prep tests is successfully increasing my score.

This specific prep test is very resourceful and perfect for analytical LSAT review. The content of the prep test is beneficial to those that are preparing to take the LSAT.

So I have ordered TONS of PTs from . I hated to do so because you end up paying \$8 or less depending on how relevant the PT is. However, when you add in shipping and tax - you end up paying \$15 or so (double in some instances). I've even bought used PTs for like \$2.00 and end up paying \$4.00 for shipping. Now you have to hit the \$35 mark to qualify for free shipping!

LAME. There is a site I go to called Cambridge LSAT.com. I paid \$8 flat for PT 70 before it was even released in paperback form! I You get to download it RIGHT THERE AND THEN, You only get to download it twice so you have to save it right away but that's not a big deal. Sometimes waiting a week and half messes you up with your studying. I ordered PT 67 and waited TWO WEEKS for it and only had two weeks to study it before the LSAT. I do not work for this company nor am I compensated in anyway for this review. Just a law student on a budget. Cheers!
