The Devil's Gift

Synopsis

Romance, deception, murder...Jackson Rafferty, second son of the eleventh Earl of Devlin, held his dying brother in his arms and swore heâ™d avenge his murder. That pact made in blood led him to the back halls of Kingston Manor and the woman who would stand between him and pursuing the man Jack knew had killed his brother. Miss Jenevieve Kingston has a secret. Keeping it is the only thing keeping her father alive. When a rogue by the name of Jack Dawson comes dangerously close to spoiling everything, Jenna forces him from her home. But not before he has worked his way into her heart. Now heâ™s back, proving he is not who she thought he was. But how can she trust him after weeks of deception?

Customer Reviews

Loved this book, could not put it down. Each character was well crafted and easy to love and identify with. The plot was expertly woven, keeping you guessing till the end. I'd take the Devil of Devlin anytime! You want to read this book!

I have loved every single romance novel I have read from Lara Landon. This was no exception. Love, mystery and excitement... Whats not to love!!!

I really loved this book Love the author

The Devil's Gift by Laura Landon Rating 5 stars 2
The Devil's Gift by Laura Landon Rating 5 stars 2
Jackson Rafferty has unfortunately become the next Earl of Devlin, his brother has been murdered and his last words were "not to let them get you too" Having a revealing conversation just before, leave him to believe that his brother's betrothed father somehow is connected to his brother's murder! And he vows to avenge his brother....if it's the last thing he does! Miss Jenevieve Kingston has been helping young girls off the street by giving them the opportunity and knowledge for a better life even though it can be detrimental to her, knowing her stepmother and her violence towards her she still persists in making a difference in their lives. When her aunt Chloe sends a man to help - Jenna knows that he could reveal her secret that she's been trying to hide from her stepmother, it could mean life and death. But Jack Hawkins' gaze and voice is warm like honey and has her insides swirling like molten heat. She instinctively feels she should trust him, but who is Jack Hawkins? Not all is what it appears and love has bloomed tentatively in Jenna's heart but can she trust, truly trust? Trust is a gift to cherish....can Jenna bestow the ultimate gift and can Jack convince Jenna he's trustworthy? A fast paced story full of intrigue and mystery, a well thought out plot that keeps you glued to the pages, you have a couple of villains with murderous intent, a hero that will do anything and everything not to lose the woman he loves and a heroine who is willing to sacrifice for love. I loved it and believe me you will love the outcome. Laura Landon keeps the intrigue and suspense in every page, you will not be disappointed! I received a complimentary copy from the author for my honest unbiased opinion.

Jackson Rafferty becomes the twelfth Earl of Devlin when his brother is murdered. As he dies in Jack's arms he gives him a cryptic warning that Jack believes implicates Shad's future father-in-law in his death. Jenevieve Kingston is a caring person who trains indigent girls to help them find employment. She is also a concerned daughter hiding her father to prevent her stepmother from committing him to an asylum. Eleanor, Lady Kingston, gives evil stepmothers a bad name. She is cruel to her servants, abuses her stepdaughter, hates her husband, and comes and goes at odd times. Benton, the butler, and Jenevieve's maid Maggie do their best to

protect her. She and the servants know Eleanor is up to something, but what and why? When Jack arrives at Kingston Manor seeking revenge for his brother's death, he finds that things are not what they seemed. He is determined to help Jenevieve solve the puzzles surrounding Kingston Manor and her stepmother. The Devil's Gift is full of mystery, intrigue, danger, and romance. The engaging plot moves along at a quick pace and has lots of twists, turns, and surprises right up to the end. It holds your interest from the first page to the last. The characters are complex and well developed. The heroes and villains fit their roles perfectly. As always, Laura Landon has written an excellent story. You don't want to miss this one. I voluntarily reviewed an advance copy of this book.

The Devil of Devlin is dead. Now who is going to marry Jenna, the Baroness of Kingston Manor? She had been promised to him since she was 10 years old and now she was too old to be presented to the available suitors. But, she has an evil step mother with a plan to get rid of Jenna as well as gain herself a lot of money in the process. This book is full of excitement and twists and turns. I was in the story the whole time. I hated pausing to do other necessary things. Come read this book if you want to enjoy the ride of a good fast paced story line that keeps you wanting to see who gets to marry who. Who goes to oops, I can't tell you that! And many other surprise endings! This book was given to me by Ms Land on for an honest review. The opinions are my own.

I read this on KU. I love Ms Landon's books and usually just download them without bothering to read reviews. However, for some reason I read a review where the reader was unhappy with the credibility of the plot device. I kept that in mind but trusted the author. The h is living her life under her awful stepmother's tyrannical reign. She is trying to protect her gentle father at all costs. The H inherits the earldom when his brother is killed and he is determined to find out if the H's father is responsible and to make him pay. When the main characters meet their attraction is undeniable but he comes disguised as a servant and she's perturbed by her reaction to him. She knows his behaviour is at odds with his station. This is the plot device the other reader couldn't accept but I found it credible. There are lots of secrets and mysteries. The was a little bit irritating in her stubbornness to trust the H but I guess it was believable under the circumstances. A good read.
