good

I've only tried the brownies but I have to give them 5 stars. Very easy and delicious. They were so good that I made another pan for my son's group at work. Since they are gluten free, they were a huge hit! I'll try the other recipes soon because they all sound so good and good for you.

Recipes sound good. Love anything sweet potatoes. Will be trying these recipes soon. Thank you. B  
Not as many recipes as I thought there would be.

I've only tried the brownie recipe but it was awesome. No doubt the other recipes are as well.  
Worthwhile purchase.

We love to eat sweet potatoes and yams too. They are very good savory but I just wanted to try something that was sweet.

You will want to print this one for your kitchen. My mother had a special three ring binder that she kept her favorite recipes and kitchen hints in. This short book on sweet potato desserts is one that should go in everyone's special binder. While there are a bunch of interesting deserts such as Sweet Potato Mousse and Sweet Potato Custard, it is the pie that in my opinion stands out. If you like pumpkin pie, wait until you try the sweet potato pie in this book! It is richer, firmer and somehow has a more substantial taste without being overbearing or heavy. I don't know how that works, but there it is. Sorry pumpkin, I now have a new favorite pie.
