## Customer Reviews

MAKE A POTATO SALAD FOR SOMEONE YOU LOVE Fresh herbs, aromatics, vinegars, and

citrus (together with the perfect type of potatoes) means fantastic potato salads for you and your loved ones. Everything you need to know about making them is right inside. And they go together in a flash. Let's get cooking!

A survivor of New York City's bustling and enigmatic 1990's food scene, Grace LÃ©ger eventually discovered that the best, and freshest, flavors came out of her own kitchen. Both classic and creative combinations of herbs and aromatics are her trademark. She is the author of three specialty cookbooks: Life-Changing Compound Butters In 3 Minutes Flat, Life-Changing Salad Dressings In 3 Minutes Flat, and Life-Changing Potato Salads In 30 Minutes Flat. She resides on Manhattan's Upper West Side with her two mini-Dachshunds, Emma and Sophia, and never turns down a chance to visit Venice or Rome- two of her favorite places in the world. Grace is proud to be a direct descendant of no less than five of the original pilgrims who arrived on The Mayflower: John Howland, Elizabeth Tilley-Howland, John Tilley, Joan Tilley, and Edward Tilley.

What family dinner or get together would be complete without potato salad? None. With so many options to choose from (international being my favorite) you will have a recipe for every occasion. You can never go wrong with German but give the choizo a try. It will be the talk of the party.

I made the roasted garlic salad so far and I was very pleased. The other recipes seem creative with lots of choices for mayo or no mayo. Good tips on prep also.

So quick and easy, and lots of helpful tips! Perfect for party hosting! The Mediterranean salad is my fave!!!

Just made my first potato salad ever, turned out perfect. The tips were great, I think they really worked and the flavor was delicious. Everyone loved it.
