# The Cast Iron Baking Book: More Than 175 Delicious Recipes For Your Cast-Iron Collection

## **Synopsis**

The complete guide to baking delicious desserts, savory breads, and delectable treats with any tool in your cast-iron collection! Cookbook author Dominique DeVito presents aÂ mouthwateringÂ collection of over 175 recipes, perfect for your cast-iron skillet or Dutch oven.Â Complete with gorgeous, full-color photographs and a wide range of baking recipes covering breakfast pastries, decadent desserts, savory breads, and more,Â this definitive cast-iron baking bookÂ is a must-have. The wide range of original recipes will appeal to seasoned home cooks, and chapters dedicated to the care and keeping of your cast iron tools make this recipe book perfect for newcomers to this booming culinary trend, as do the easy to follow step-by-step recipes. Gluten-free and even paleo variations to many recipes are included, making this cookbook perfect for any lifestyle.

## **Customer Reviews**

The book is filled with simple recipes with clear instructions.

This book has good recipes, nice format. I was very satisfied with it.

I love this cook book, I'm glad I have it and have already used this to help me make cast iron dishes.

I had no idea how versatile cat iron is

Got this for husband and he will love it!

Gave as a gift and she loved it!

I picked this up at costco for pretty cheap. In looking through the book I saw only yummy from scratch recipes. Once I got the book home and started going through it in more detail I found a high percentage of recipes use premade dough. In addition, many of the 175 recipes are simply variations, for example substituting berries for apples in the EXACT same recipe, word for word, duplicated on more pages. In the first part of the book, the author writes "I was worried that I couldn't come up with enough recipes. . . . When I realized I could make any number of variations to boxed cake mixes . . ." That excerpt pretty much sums up this cookbook, lots of pages wasted on word for word repeats of the exact same recipes with "variations" being apples vs berries and lots of premade frozen dough and cake mixes. However, there are several from scratch recipes I like such as the soda bread, so it's not all a disappointment.
