Product Dimensions: 1.1 x 6.2 x 9.5 inches

Shipping Weight: 1.8 pounds

Average Customer Review: 4.0 out of 5 stars 1 customer review

Best Sellers Rank: #4,158,075 in Books (See Top 100 in Books) #89 in Books > Engineering & Transportation > Engineering > Reference > Research #151 in Books > Engineering & Transportation > Engineering > Chemical > Cosmetics #2834 in Books > Textbooks > Engineering > Chemical Engineering

Customer Reviews

Very useful. This book interests me mainly for the perfumery section. The perfume formulas are mainly for some classic, well-known 20th century perfumes, Reading the formulas provides invaluable insight for amateur perfumers. A great education for those who are not academically trained in perfumery, but who wish to try their hand at the craft.
