Juicing Cannabis For Health: 30 Delicious Cannabis Smoothie Recipes

Synopsis

Cannabis is being considered by many as a dietary essential, and is quickly gaining popularity, but so far there are very few recipes for juicing cannabis. Unlike smoking cannabis, juicing cannabis does NOT get you high, unless you are using it in a dried or heated form. This book strives to give the reader some great recipes and ideas on how to include dietary cannabis into their daily lives. NOTE: Cannabis use in any form is still illegal in many states and countries without first obtaining a medical marijuana card, and is still totally illegal in some areas. Make sure you comply with the law and do not use Cannabis in any form in areas where it is illegal for you to do so!
