This book is really a great resource for those who want to learn more about ice cream recipes for happy families.

When the temps outside reach record highs, all I can eat is ice-cream. And since I don't allow my kids to have store-bought ice-cream, I am making my own frozen delights every other day. So I can say this little book has some delightful recipes and I already tried several of them and kids licked their bowls to the last drop. Yum!

Lovely cookbook, lots of great ideas to make different ice creams, gelato, sorbets and even ones & meringues. Love it! Great recipes! Highly recommended!
