Month-by-month Gardening In Mississippi

Synopsis

Never garden alone! The Month-By-Month series is the perfect companion to take the guesswork out of gardening. With this book, you'll know what to do each month to have gardening success all year. Written by authors in your state, the information is tailored to the issues that affect your garden the most. When is the best time to plant trees and shrubs? Should I fertilize my lawn now? Is it time to prune my roses? What should I be doing in my garden this month? You'll find the answers to these questions and much more inside. This easy-to-use book highlights each of the ten major plant categories using a monthly format. It guides you through each month of the year, telling you exactly what your garden needs. It is like having an expert in the garden with you all year long. Valuable hints are located throughout the book, and beautiful photographs will inspire you. Written just for gardeners where you live, you can be confident that the information is right for you-and your garden will show it.

Rushing is a 10th generation Southern gardener. He is a leading Extension Service consumer horticulturist in Mississippi and has two degrees from Mississippi State University and the Louisiana State University Landscape School of the South. He coordinates Master Gardeners in the state's capitol. Polomski is known for his gardening expertise and knowledge of the latest technical information. He appears on television programs devoted to gardening and co-hosts a

question-and-answer radio program sponsored by Clemson University called "Palmetto Gardening".

I have several of these books for different areas, and each is a great reference guide.

excellent condition

Wonderful book of Mississippi vegetation! Very informative and extremely interesting. Being in Mississippi and buying a large property, this was a wonderful guide on what to look for~!
