Customer Reviews

Great resource. Would recommend to anyone interested in bulb planting. Good detail and information. Lovely pictures of the specimens. Thanks

Lots of good information and I love the background stories for many plants.

I learned a lot love the book

Minimal information.

I enjoyed reading the book. I'm now planning on where to put all the bulbs I want to grow. I never had any idea of the proper times or depths to plant them. Now I do.

Great tips.
