Annuals For Northern California

Synopsis

Discover the best annuals for Northern California with this colorful guide. Plenty of photographs accompany clear, easy-to-follow gardening advice, including tips on when to plant, growing from seed versus nursery-grown bedding plants, optimal growth conditions, problems and pests. This handy reference features almost 450 annuals best suited to the region.

Customer Reviews

BOB TANEM, America's Happy Gardener(tm), has been in the nursery business for more than 40 years and has logged over 20 years of air time as a broadcaster on gardening. 'Bob Tanem in the Garden' is featured each Sunday morning on KSFO Radio in San Francisco, a show that has twice garnered Bob the coveted "Quill & Trowel" Award for the best radio program on gardening in America. Bob also has made numerous television appearances, written hundreds of magazine articles, writes gardening features for local newspapers and publishes his own newsletter. DON WILLIAMSON, who has turned a passion for gardening into his life's work, has a varied background in landscaping, golf course construction and management and now garden writing. He also has extensive experience in the design and construction of both annual and perennial beds in formal landscape settings. Don has a degree in applied horticultural technology and professional certificates in turf management.

It answered my questions about what annuals would grow best in this area. Also gave suggestions

about dead-heading, and upkeep of the plants.

I love this book with valuable information and beautiful pictures of almost every annual. A must have for every gardener.
