We have thoroughly enjoyed these stencil books. They are just a perfect size.

I bought these for my 5 year old grandsons to trace but they are very thin.

I used these to paint dinosaurs on the dresser in my son's dinosaur nursery and it came out pretty great. These are simple to use and very adorable

My triplet grandsons are now into stencils, and love any stencil they can get ahold of.

GREAT 5A100%STARS

fun

Great price for what I did receive. Will see how they hold up with the 5yo

I bought these to use as stencils on canvas bags for party favors for my daughters dinosaur birthday party. They are not extremely sturdy, but are most definitely worth it for the money. The pack includes several different dinosaurs on different pages.
