Korean War Order Of Battle: United States, United Nations, And Communist Ground, Naval, And Air Forces, 1950-1953

Synopsis

Using historical files kept by each of the armed services and nations involved in the Korean War, Rottman provides information on unit backgrounds, organization, manning, periods of service, insignia, weapons, casualties, and major commands including the Western, North Korean, Communist Chinese, and USSR forces. The United Nation's first military action and America's first major Cold War action, the Korean War, frequently called the forgotten war, is well documented in studies and reports of specific actions and phases of the war. These sources, however, provide little order of battle information on most of the belligerents, particularly the non-U.S./UN and South Korean forces. Using the historical files kept by each armed service and each nation, Gordon Rottman provides information on combat units and major commands, including both Western forces and North Korean, Communist Chinese, and USSR forces. He has done an invaluable service for scholars and military buffs. Filling a void that would not likely have been filled otherwise, the book provides information on unit backgrounds, organization, manning, periods of service, insignia, weapons, and casualties. The book will be a primary source for anyone, scholar or layman, interested in researching the Korean War.

Book Information

Hardcover: 264 pages

Publisher: Praeger (December 30, 2002)

Language: English

ISBN-10: 0275978354

ISBN-13: 978-0275978358

Product Dimensions: 7 x 0.6 x 10 inches

Shipping Weight: 1.4 pounds (View shipping rates and policies)

Customer Reviews

"[R]ottman's 'Korean War Order of Battle' will be a very useful addition to any Korean War researcher's library." - Army History
"Rottman's book is an excellent reference on the unknown Korean War" - Lt. Colonel Robert A. Lynn, Florida Guard

GORDON L. ROTTMAN is an independent author. His books include World War II Pacific Island Guide: A Geo-Military Study (Greenwood, 2001) and U.S. Marine Corps World War II Order of Battle: Ground and Air Units in the Pacific War, 1939-1945 (Greenwood, 2001).

Gordon Rottman has written many article and books on modern warfare WW2 to the present. This Order of Battle Book is excellent. It covers so much information I had to read it a second time, To understand hwo thought it is and how he manages to keep it flowing in an orgainzed manner so the reader can quick reference material they may need for wargaming or writng about Korea...If you located this book it should be a must buy.

This is a pretty comprehensive volume in that it includes the OB of Communist Forces. The OB the UN forces was very helpful. However, I was looking for casualties in much more detail than that given. I'm trying to find a map of the physical distribution of casualties by a political subdivision other than Prefecture.
