Restored To Freedom: The Road To Deliverance From The Enemy's Finest

Synopsis

The Road to Deliverance From the Enemy's Finest. Changes the lives and marriages of people from pain, hopelessness and brokenness to love, joy and peace. It is the first book that provides revelation of what happens when we grow up with fathers and/or mothers that cause emotional pain and how it affects a child later in adulthood which then hurts their relationships, marriages and children. Powerful renunciation prayers will break the vicious cycle of generational dysfunction and divorce causing tremendous unconditional love between your relationships with your spouse, children and other individuals. Many have observed immediate results of changes in one's personality from control, manipulation and deceit to honesty, humbleness and tenderness. Also physical pains that never seem to be healed (back, neck, etc) will commonly disappear after reading the prayers inside. This is truly a book of tremendous insight that the enemy did not want to be revealed to allow people to be totally restored to freedom.

Brother Schuman's ministry has certainly played a very important part in my search for freedom and

inner healing. We have all experienced emotional wounds at some point in our lives, even if we were saved at a young age and grew up in a wonderful Christian home, as I was and did. People say and do things out of their own unhealed pain and without thinking about the effect their behavior or words have on us. In the past, the church has typically swept the need for inner healing and deliverance "under the rug" and encouraged Christians to put on a happy face, even when we're dying inside and perhaps are plagued with addictions. In this book, written from the Christian point of view, Brother Nelson deals with the spirits of Jezebel, Ahab, Leviathan, and Orion as well as generational/ancestral curses. He explains the effect each spirit has on a person and includes prayers (which should be spoken out loud and not just read silently) for renouncing the specific demonic spirits and breaking off generational curses. I strongly encourage any reader of this book, or his other books, to also view the media clips on his Website (restoredtofreedom.com) as well as the Worldwide Deliverance Sessions on his Facebook page (facebook.com/restoredtofreedom) and/or YouTube. What comes across to me through reading the books and watching the videos is that this is a man who genuinely cares about people. His heart is to see people set free. He has walked through various trials in his own life, so he speaks from experience. I recommend Brother Schuman to those truly seeking freedom. Also, if you're looking for additional resources, I can also recommend the writings of Dr. Rita Bennett and the late Ruth Carter Stapleton on the topic of emotional/inner healing.

I thought I had been set free from some certain things, but reading this book revealed that I was not totally free. It really enlightened me and I prayed the prayers in the book. I can tell a definite difference in me and my marriage. Also, I had had a dream about the leviathan spirit. Didn't fully understand, but the description of leviathan and how he operates gave me some revelation into the dream. Awesome. It was so good bought a couple of copies and gave them away. As I have funds will do again.

I highly recommend this book for anyone who desires total freedom from their past. If you find yourself not able to move forward, feelings of emotion that you cannot shake off, no matter how many prayers you've prayed. If your seeking healing from those voices, that overtake you and you love God with all your heart, even that isn't enough. You cry in church, you go home feel like you got healed and it starts all over again. Turmoil in every relationship, not able to act accordingly and especially in peace and love. Nelson, listened to God, and acted upon what he learned, to help the rest of us get set free and be able to live the life that God so much wants for us. Our fight isn't carnal

its spiritual and after reading this book, you will completely understand, why you have felt the way you have all your life.

I received Nelson Schuman's book titled Restored to Freedom last week, and read it in one day! Wow! Amazing book! I loved how he presented stories of people struggling with the Jezebel, Ahab and Leviathan spirits. The effects these spirits have on people and in people was eye opening to say the least. I was happy to see the prayers to pray to help people be set free! He presented not only the problem but also the answers. This is a must read for every Christian and every ministry out there! Every church needs this book in their library! Every church has issues with these spirits and others as well. I am going to order his other books, too!

This book changed my life! Having been a "Christian" from the age of 5, it wasn't until the Holy Spirit convicted me (after listening to one of Nelson Schuman's training sessions) that I realized some "things" had come in through my ancestry that God wanted to set me free from. After I was delivered through Nelsons prayers (that are found in Restored to Freedom), I was able to understand why I did certain things, who I was attracted to and why, and suddenly - EVERYTHING started to make sense in a way that previously hadn't. I'm confident that this book will do that for you as well. It is hands down one of the best decisions / purchases I've ever made. God bless you!! Tina Kirkpatrick

Nelson Schuman's book on restores to freedom is a must have in every believers book shelf, if you are struggling in any area of your life freedom keys can be found in this amazing book. Nelsons truly a gift to the body of Christ and a major movement in people actually walking in the freedom God provided for them. Run out today and get your copy it's more than worth it.
