Succulents: The Ultimate Guide To Choosing, Designing, And Growing 200 Easy Care Plants (Sunset)

Synopsis

Inspiring, practical and richly photographed, this comprehensive guide offers creative ideas and DIY projects using beautiful low-maintenance, water-wise plants Succulents are the ultimate easy-care plant: versatile, effortless to grow both indoors and outdoors, and drought tolerant. From Aloe and Agaves, to Senecio and Taciveria, this handbook by leading garden expert Robin Stockwell highlights 200 of the easiest, most useful, and gorgeous plants, and shares advice on care and cultivation. Readers will find inspiration for imaginative and exciting new ways to use succulents in striking garden designs, containers, vertical walls, and indoor arrangements, as well as step-by-step projects, such as living bouquets and terrarium ornaments. This is the essential reference for landscapers, home gardeners, and anyone looking for a thorough introduction to the perfect plant for modern times.

Robin Stockwell is the founder of Succulent Gardens in Castroville, CA. He has been active in the nursery industry as a grower and retailer, and working with succulent plants since 1972. Robin has received numerous awards and has been featured in newspapers, magazines, and television.

Gorgeous book. Tons of great information. Love authors story. Love his prior garden shop. Have bought copies for all my gardening friends and family.

My wife says the book has wonderful photography, very interesting commentary, excellent description of the plants- their colors and shapes. Very useful index.

This is a great thorough book on succulents, it has many ideas for planting in containers and planning your garden plots.

My husband loved it! Birthday present :)

Excellent book with photos of many types of succulents.

This book shows so much to a beginner or even someone more advanced growing succulents. Delightful arrangements and ideas and lots of good advice. It's a coffee table book in my house.

Beautiful pictures and very interesting book. Very much thanks. LM

Good information and very helpful.
