# LEGAL GDE.F/PRACTICING PSYCHOT

## Synopsis

Since the publication of its first edition in 1992, *The Legal Guide for Practicing Psychotherapy in Colorado* has become the standard for information on compliance with Colorado laws for the practice of psychotherapy in the state. The book provides a comprehensive description of the Colorado statutes that pertain to mental health professionals in the areas of malpractice and professional liability, restricting client liberties, licensing considerations, business concerns, and important ethical issues. The Legal Guide gives psychotherapists specific examples of how Colorado laws affect their practice, with advice on how to comply with legal and ethical mandates. In addition to citing state and federal court cases relating to mental health professionals, the book tracks the latest statutory developments in Colorado to keep readers up-to-date on the law and legal terms used in this area. The 2013 edition will help therapists stay current on the law and comply with new professional requirements.

## Book Information

tracks the latest statutory developments in Colorado to keep readers up-to-date on the law and legal terms used in this area. The 2013 edition will help therapists stay current on the law and comply with new professional requirements.

This book is necessary for the licensing exam in Colorado for mental health practice. A new edition seems to be printed each year. This book arrived on time and in good condition.

As a counseling student in Colorado, this book helps me understand ethical and legal issues as they pertain to practicing in Colorado. Great book!

I had to purchase this book for a class. I received it in an extremely excellent condition (better than the description on ) and received it within 3 days of purchase.

If you are planning on taking the CO jurisprudence exam, this is an excellent resource. It has lots of information that any mental health specialist needs to know.

Just what I needed for class-
