Amber Nicole Shavers holds a law degree from the University of Nebraska, Lincoln and is a member of the New York bar. She is a performer and a member of the Screen Actors Guild (SAG-AFTRA). Amber lives in New York City.

This is NOT a book about music law, it is a history of copyright and publishing. Nothing about recording contracts, managers, agents, merch agreements, or other topics that an artist needs. An artist doesn't need to know the legislative history of copyright as much as they need to know about managers, agents, concert promoters, labels, and business managers. I AM NOT an attorney nor

have I written a book that is in competition with this book. I'm just extremely disappointed.

As an attorney, and lover of all music and its' history, my husband absolutely loved this book.
