Customer Reviews

Beautiful book with great recipes. Fun to just look at and read, but recipes are good, too. There are so many Italian cookbooks out there, and I have many of the best. But really enjoy looking through this book and what I've cooked from it has been excellent.

Love it. Just like it says: comfort food.

delicious, Easy recipes to follow. Saveur does wonderful cookbooks, with stories to accompany the foods.

All SAVEUR is wonderful

Love Saveur and recipes in this book.

Unlike other cookbooks, all of the recipes work! I love this cookbook so much, I am purchasing all "Saveur" cookbooks.

great cookbook! We have enjoyed three different recipes to date and they have all been a hit. Very doable dishes and good simple food.

What a pleasure. My husband gave me this for Christmas, ha ha.....and the recipes are authentic. If you're looking to cut out fat or watch calories this isn't the book for you. The blending of ingredients is perfecto!
